

Dear KT families,

Welcome back to school for another busy term ahead. I hope you all have enjoyed your holiday break and have had some quality time with your families and friends. I am happy to inform you that the students have settled back into the classroom routine which has been wonderful to see.

This term I will continue to implement rich learning tasks and encouraging students to have a go when tasks may become challenging. Our classroom is an environment that provides a positive and safe learning space that allows students learning to become enjoyable.

K-2 Clubs will begin in week 3. Scripture continues on Thursdays starting this week. We also have gymnastics starting in week 3, I will send you a reminder. Education week is approaching and is an exciting time with many engaging activities to be involved in.

Units/ topics. English -Fairy Tales. Science – Weather
HSIE – Me and My place PDH/ PE Safety & games

Class Dojo will continue to be our main source of communication. I will continue to share students learning activities and lesson. Please also keep checking the class story as I will post reminders of school going ons.

We will continue to use Seesaw as a learning and sharing tool so you can see some of the activities that are happening in our classroom.

Homework

Homework will begin in week 2. This will be given out on Monday of each week and will need to be returned on the following Friday.

Class Resources

Here is a list of classroom supplies, this is not compulsory but would be much appreciated.

- Glue sticks
- Box of Tissues
- Headphones
- Whiteboard markers

Regards,
Ms Togo
