

TITLE: Together We Grow

STORY: On the rich red hills of Cudgen Platue, is a unique ecosystem of interaction between humans and the land, a circle of life that grows together. When a seed is planted and nurtured by loving hands it will grow establish and find belonging in the red soil of Cudgen. Just like the farms surrounding Cudgen Public School is a place of planting, nurturing and growth of young students learning to work, live and growing together.

DESIGN: The farmlands depict the students, staff and family members, working, learning and growing together.
