Principal's Report

Our logo

We've been doing a little bit of research in terms of our school logo. Our archives show that there have been different logos over a period of time. Some of you may remember a logo from your time at school.

We've been asking our students what our current logo means to them. This is some of their feedback:

IMPORTANT DATES

MAY					
Thursday 13th	NAPLAN Story Dogs				
Friday 14th	NC Rugby League Camp				
Wednesday 19th	Assembly 1/2J District Rugby Union				
Thursday 20th	Story Dogs Rugby League Gala Day FNC Dance FNC Touch				
Friday 21st	YULI—Fishing FNC Cross Country				
Wednesday 26th	National Sorry Day KHS Endeavour Class Test				

What does our logo/symbol mean?

It is a tree and the tree represents the people lost at war.

It means bush and the land that we share.

The logo represents everyone in our school.

It means Cudgen and Cudgen means belonging.

It is a pine tree.

This is a symbol for Cudgen and at Cudgen we work as a team.

Our logo is about farmland.

If you have any insights or thoughts to contribute with regards to re-thinking or re-working our logo, we'd love to hear from you. Please email our school cudgen-p.school@det.nsw.edu.au

Student Spotlight

Eamon 5/6CL

Tell me what you think is special about you?

I'm at good at music and I really enjoy playing music. My main instrument is the drums. I can play guitar, bass and a little bit of keyboard. My mum and my dad are musical and they have helped me with learning how to play music and also have supported my love for music. My brother plays guitar and he wanted me to play drums so that I could play along with him. At school I'm part of a band. The name of our band is Pink Slips. At the moment we're trying to create our own songs. One day I hope to teach music to others.

On the weekend I play rugby league.

I'm on a team with mates from our school. We train each Tuesday and Thursday. I love playing footy.

What advice do you have for others?

Never give up, always keep trying.

Gratitude

We are very grateful for continued support from community and in particular, from our active and dynamic P&C. The difference the work that our P&C makes is enormous and impacts every student in every classroom across our school. Our P&C have recently donated \$43,000 to our school to support technology, dance community engagement (contributing towards the LED sign and a new projector for our hall). The student leaders penned a letter on behalf of our students to say thank you. Please have a read.

Warm regards,

Renee Beach Principal

BE SAFE • BE RESPECTFUL • BE AN ACTIVE LEARNER

Dear P and C,

We would like to take this opportunity to extend our gratitude for your very generous donations this year. We also greatly appreciate the immeasurable amount of effort you give to our Cudgen community. We couldn't imagine Cudgen Public School without you.

We would also like to recognise the actions of our canteen volunteers because without their generosity we would not have a canteen.

From computers to dance shirts you have helped us throughout the years. You have always been there when Cudgen has needed your support. Your endless support towards students and teachers does not go unnoticed.

We can't thank you enough for everything you do!

Sincerely Cudgen Public School Students

Emile, Ethan, Sienna and Sydney

P & C NEWS

Thank you to the amazing volunteers who assisted our kids with gift purchasing advice & outstanding gift wrapping skills for the Mother's Day stall last week. Word on the street, there are a lot of glamourous jewelled, chocolate fed, face scrubbed Cudgen mums out there! We hope all our mums had a wonderful day on Sunday and enjoyed their thoughtful gifts.

As the temperatures start to cool off, our P&C run canteen turns up the heat with your winter warming foods. Did you know our Spaghetti Bolognese is made by volunteer parents and grandparents on site, as is our macaroni & cheese & delicious fried rice. Pizza muffins have to be the canteens best kept secret... half an English muffin with tomato paste, shredded ham & melted warm cheese. They do taste as good as they smell! Our new canteen crew have not wasted any time in preparing for winter – encourage your kids to try these homemade options. We are really proud that our canteen has the highest health star rating possible. We hope you are too!

We have a couple of days that require volunteers on our term 2 canteen roster, it would be fantastic to get some names against some days there. Contact Gemma Martin on 0430 313 948 to get yourself on the roster. Once a term is a great contribution and I guarantee your kids will love visiting you at the windows at recess & lunch! Also lots of information about upcoming P&C events can be found in our private Facebook group "Cudgen P&C Association Group".
