Term 1 Week 4

Wednesday 17th February 2021

Principal's Report

To our Cudgen community,
Thanks to our P&C for their time at our meeting last week. It was excellent to have such a turn out. At the meeting I took the opportunity to share our re-worked vision statement.

Cudgen Public School

Cudgen Public School is an inclusive school community, rich with culture and history and set on Bundjalung land. Our educators work collaboratively with a strong focus on equity and excellence. The shared expectation is that every student reaches their potential. Student success is underpinned by engaging

and explicit instruction from passionate and committed teachers. At Cudgen Public School we help our students discover their innate talents and unlock their full potential within the context of a supportive and nurturing environment. Our caring educators deliver outstanding and innovative learning programs, inspiring our students to imagine the possibilities, believe in themselves and create their brightest future.

Each and every Cudgen student is known, valued and cared for. We offer a quality education that is uniquely personalised, uniquely supportive and within a unique learnscape. At Cudgen Public School, our students are at the heart of all that we do.

Thank you to everyone that has thought deeply about this and contributed their ideas to shaping it. I think it reflects the wonderful that Cudgen is. I also had the opportunity to host our 2021 Student Leaders to morning tea last week. We had time to ideate and as always, I'm impressed by the vision that our students have for our school too.

Last week Gemma Martin and myself were briefed on Hanson's planned expansion of their sand plant on Altona Road. Hanson is seeking approval for an expanded footprint to extract sand to support the construction industry. Their proposal includes removal of trucks from local roads as they plan to build an internal haul road directly to the Tweed Valley Way interchange.

If you would like to discuss the project you can contact their planning team at:

Warm regards,

Renee Beach

CUDGEN HOUSE LEADERS 2021

P & C NEWS

Our first P&C meeting for 2021 was held last Wednesday night. It was terrific to see some brand new faces amongst the group & of course the return of the long-standing members again to help contribute to a great 2021 P&C Year. New members are always excitedly welcomed & often return for future meetings (this is always a positive sign!)

The QKR! app is the quickest & easiest way to order lunch orders for your child and also new uniforms. If you have any issues navigating the app, placing your orders or questions, the P&C are always happy to assist.

The canteen roster is looking very full of keen & eager families so far for term 1. Please search for the roster on Cudgen P&C association Facebook page. We are so excited to see some new names & faces volunteering their time for our school canteen. Thank you for your contribution.

The canteen is still searching to fill that elusive canteen convenor role. It's a diverse role & one we feel could be shared across a small group of people who might describe themselves as organised & expert shoppers with a touch of a Masterchef thrown in and all who love a chat & thrive in a team environment. If this sounds like you & a couple of friends please contact Gemma Martin on 0430 313 948.

Thank you to our canteen volunteers who assisted with the school swimming carnival on Friday to ensure all our swimming athletes were fed & fuelled for a hot day. Thank you Zelma, Glenys, Tanya & Kaya.

Our next meeting is on 10th of March at 6pm in the school staff room. All are welcomed and it's a great way to meet some new parents & involve yourself in our school community.
