

Term 1 Week 10 Wednesday 31st March 2021

Principal's Report

To our Cudgen community,

Term 1 has whizzed by! I am proud of the focus, resilience, teamwork, empathy, self-direction and reflection shown by our students.

Positive Behaviour 4 Learning

PB4L is an approach that is used to bring together systems and processes aimed at enhancing student outcomes at our school.

PB4L expectations at Cudgen are safe, respectful and active learners. These overarching expectations are present in all settings within our school, with students and staff regularly displaying these expectations and being acknowledged for them. We were excited to have a parent representative at our last PB4L meeting – thanks to Rachel Julius for coming along to learn more about PB4L and to provide a community voice.

Our Learnscape

Over the holidays there will be some work that occurs at our school to make it look and feel even better

than what it does presently. The ventilators on the roof of F Block (stage 3 classrooms) will be replaced and our inside toilets will be refurbished. We look forward to these upgrades occurring.

NAPLAN

Next term, our students in years 3 and 5 sit for NAPLAN. The data from this point in time assessment provides directions for us as a school and is used to inform our teaching and learning. The results of the tests provide important information to schools about what each student can do, and are used to support teaching and learning programs. Parents receive a report indicating their child's level of achievement. Each student's achievement will be reported against the national reporting bands, national averages and national minimum standard. In advance of taking NAPLAN Online, students and parents are invited to use the public demonstration tests to familiarise themselves with the type of questions and related functionalities available in the NAPLAN Online assessment.

Some of the key features include a range of question types, onscreen tools, timers and interactive navigation. Students are encouraged to try all the tests for their year level to practise the complete range of question formats available in the online assessment.

<https://www.nap.edu.au/online-assessment/public-demonstration-site>

To our families – thank you for your support this term. Have a wonderful break and we look forward to seeing you all in term 2.

Renee Beach
Principal

NOTES FROM THE OFFICE

Notes to Parents

Notes to Parents can be found on the Cudgen Public School website.

Look for the green banner then click on 'Notes' OR click on the event (below school image), then 'Notes to Parents'.

Notes to Parents in regards to an event can also be downloaded from the schools Facebook page. Click on the 'Events' tab, then click on 'get tickets'.

Alternatively, hard copies can be collected from the front office.

Kingscliff High School Endeavour Class Year 7 2022

Kingscliff High School Endeavour Class Information Brochure and application form has been posted on Class Dojo and the Cudgen Public School facebook page.

Education

3/4M—Harmony Day Art Work

P & C NEWS

The canteen continues to hum along with keen volunteers, two new fearless leaders in Kaya Wiltshire & Rachael Julius and all the volunteers pleasant smiling faces at the canteen window. The introduction of cash over the counter sales of iceblocks went off without an issue last week.

Cudgen P&C hosted a coastal learning community mixer night last week, which provided the opportunity for P&C members from our school to engage with other local P&C members from the schools within our coastal learning community. Gemma, Kylie, Jane & Rachael attended and the night and report that it was a success. Always plenty to chat about & ideas thrown around for fundraising into the future. Term 2 will see a return of our mothers day stall after being abandoned thanks to COVID in 2020. Watch this space for more information!

Active Kids Vouchers

Did you know that the NSW Government is helping kids get active with the new Active Kids Program? Parents, guardians and carers can easily apply for a voucher valued at \$100 per calendar year for each student enrolled in school!

The voucher may be used with a registered activity provider for registration, participation and membership costs for sport, fitness and active recreation activities. For more information, visit <https://sport.nsw.gov.au/sectordevelopment/activekids>
