

## STAGE 3 - SCIENCE EXCURSION

Dear Parent/Guardian

As part of our **Science & Technology** Unit this term – Earth and Space – students will attend an exhibition at the **Queensland Museum** in South Brisbane on **Thursday 4<sup>th</sup> April, 2019**. The day will be broken up into two sections.

### **1. NASA – A Human Adventure**

*Students will see NASA's remarkable achievements in human space flights and space exploration. They will discover the exciting history of rocket science and space flight, and learn about some of the most extraordinary accomplishments in space technology. NASA – A Human Adventure is the most comprehensive and extensive touring space flight exhibition in the world with artefacts from the United States and Soviet Union space programs.*

### **2. SparkLab**

*SparkLab is the new, hands-on Science Centre experience at Queensland Museum. Students will follow their curiosity and bring out their inner scientist as they question, investigate and wonder about the world around them. They will explore 40 interactive exhibits across three zones and discover how science, technology, engineering and mathematics (STEM) affect their everyday world.*

The excursion will **cost \$35** which covers Museum costs and transport. Students will **travel by coach** to and from the venue, departing Cudgen Public School at **8.30am** and returning by **2.45pm**. Students should **wear full school uniform** and bring morning tea, lunch and a water bottle (students will not be able to purchase anything on the day).

Regards

Dane Baxter and Liz Turrell  
Teacher

Rod Cornelius  
Principal
