

Stage 2 Thunderbird Park excursion

Tuesday 17th September 2019

To complete our Geology unit of work we will be making a journey into the rainforests of Mount Tambourine. The students will head to Thunderbird Park where they will spend a couple of hours fossicking for thunder eggs in the mine. After lunch they will have the chance to take on the Tree Top Challenge, a series of high rope activities up in the canopy layer of the trees. For the students who do not wish to take part in the high ropes, they will have a go on the Junior climbing challenge and play a round of mini-golf.

The attached waiver form MUST be completed to allow students to participate in the Tree Top Challenge.

8:45 Depart school
10:30 Recess @ Thunderbird Park
11:00 – 12:30 Thunder egg Fossicking
