

Backflips Against Bullying

Friday 19th March

K-2- 9:30am

3-4 12:00pm

5-6 2:00pm

The Backflips Against Bullying program features 3 entertainers, who use their incredible acrobatic skills to captivate and engage students, earning their respect, and encouraging them to take control of their own lives and make changes on a social level within the school.

Action Education believe by addressing bullying on a social level, we can empower students to hold each other accountable. Parkour and Acrobatics is one of the fastest growing trends today. When students are engaged, they learn. So, we engage them with Backflips, and we teach them about Bullying.

Backflips Against Bullying are visiting our school for the entire day on Friday 19th of March which coincides with our National Day of Action Against Violence and Bullying. As part of their program the students will attend a performance in the hall and then be able to interact with the performers during lunch time. To cover the cost of this incursion each child will be required to pay \$10 and the school will subsidise the remaining cost.

If you would like your child to attend this exciting performance on Friday 19th March in the school hall, please complete and return the permission note below along with \$10.00 per child to the office by Tuesday 16th March.
