

## Swimming/ Life Saving 3-6 2021

Dear Parent/Caregiver,

As part of the Sporting Schools program children in Years 3-6 are being offered the chance to participate in swimming lessons or Royal Life Saving activities for 8 weekly sessions on Friday afternoons, 5th February – 26<sup>th</sup> March (T1 Weeks 2-9) including Thursday 25<sup>th</sup> March in lieu of the school swimming carnival on Friday 12<sup>th</sup> February.

The children will be transported by bus to and from the Casuarina Beach Rec Club each Friday for a 45 min lesson leaving the school at 1.30pm and returning at 2.45pm.

Tuition, which will be provided by qualified coaching staff, is specifically aimed at enhancing and educating children in the dangers of aquatic environments and develops skills to prevent drowning and assist in water rescue and survival. This program has been developed by Royal Life Saving Australia.

There is also the opportunity poor or non-swimmers to learn to swim, improve swim strokes and take part in squad activities. Students will be placed in groups according to the swim coaches' assessment.

Cost includes bus, pool entry and lessons for 6 weeks, \$60 total per child.

This program is being heavily subsidised by a grant from NSW Sporting Schools and is an excellent opportunity for children to learn to swim or develop skills in the water.

### **This program can cater for a maximum of 50 students.**

If you wish your child to participate in the Swimming/ Life Saving program for school sport this term please return the note to school by Wednesday 3<sup>rd</sup> February 2021, including the \$60 total cost. Additionally please complete and return the attached swimming survey.

### **Once maximum numbers are reached the program will be closed.**

Rod Cornelius  
Coordinator

Renee Beach  
Principal
