FNC Dance Festival Performance
Thursday 20th May

On Thursday 20th May our Dance Crew will be performing at the FNC Dance Festival in Lismore.

The Dancers will need to be at school by at 8am and will head out to Lismore for the day. A technical rehearsal will be held from 9.30 – 3pm and students will have the opportunity to watch other schools perform. There will be a break from 3-6pm where we will relax in the park across the road and have an early dinner. Girls will have their makeup done during this time.

The evening performance starts at 7pm and dancers will remain backstage until the end of the show. Parents will be able to collect their children at the end of the show which will be approximately 8.15pm. There will be no bus back to school so if your child needs transport back to Cudgen please let us know. Dancers will need:

- ➢ To wear their Dance Crew shirt with tights or shorts
- ➢ Girls hair in two braids – this can be done during the day by our helpers
- ➢ Makeup for girls- bring your own makeup if you have it, foundation, red lipstick, blush, eyeshadow, mascara
- ➢ A packed lunch and lots of healthy snacks. A light dinner will be provided during our break time and the cost has been covered in the initial dance fee
