

8 February 2021

Dear Parents and Carers

Our school is grateful to be able to access the community Cudgen Recreation Reserve directly next to our school. This green space is utilised on a daily occurrence by our school, both at break times and for other structured activities and organised sport.

Students are always supervised by our teachers whilst playing in this area.

If any of our students requires medical attention or becomes unwell whilst accessing the Cudgen Recreation Reserve, our first aid procedures will be followed.

Please complete the permission note below and return to the school office by Monday 8th February.
