

ONLINE ORDERING UPDATE!

Thank you to all the parents and students that made the P&C Mufti & Pizza Party a success. We received 121 orders through the Qkr App. What a fantastic outcome for our first online only, special food day!

Seeing the students enjoying this great day, and the support of parents to make this an easy service for our volunteers to provide by ordering online, means we'll make sure there are more opportunities for fun at Cudgen Public School in the future.

For those parents that were having some issues with their credit card, Qkr has provided the following tips:

1. Make sure that on the last screen after entering your payment method, or selecting your card, that you enter the CVC (not your Qkr password).
2. If you get a security error, this is a message returned from your bank. Please contact your credit card provider and ask them to add "Qkr" to your safe transactions list.
