CANTEEN NEWS

Canteen has returned to Mondays and Fridays for term 3 with a full ONLINE ONLY service. Recess options, ice blocks as well as lunch options are all available through the **QKR! App**. Recess and frozen items will need to be collected individually from the canteen windows, lunch orders will still be delivered to the classroom (please note Ice Monys are only available at lunchtime).

If you are able to volunteer in the canteen this term please contact Gemma Martin on 0430 313 948 we are in need of more volunteers to fill the roster for the term – Fridays in August are looking very bare. Get a team of 2 people together or volunteer individually we will always pair you with an experienced volunteer to show you the ropes.
