

The Cudgen P&C would like to express our sincere appreciation, gratitude and thanks for the amazing support and dedication that Rod has shown the P&C, the entire school and community during his time in the Relieving Principal role.

Over the last 7 years we have had a number of principal changes and Rod has always been there to keep things consistent for our children as Relieving Principal. He is always approachable and genuine whilst leading our children with care and concern. We are beyond grateful for his hard work and are very lucky that he will continue on to work along side our new principal Mrs. Beach in the future! So many great things ahead for our beautiful Cudgen School.

Thank you also to all the volunteers that have helped in the canteen this past term, the students love canteen days, so thank you for your time to allow this service to continue.

Term 4 we will again be looking for as many helpers as possible so please reach out to us if can spare a day or a few hours! Contact Gemma on 0430 313 948.

Next Meeting – Wednesday 23rd September 2020 (Week 10) @ 6pm Mantra Pavilion

AGM Meeting - Wednesday 28th October 2020 (Term 4 Week 3) 6pm @followed by our monthly meeting at 7pm. Venue to be advised.
