

Cross Country was a huge success last Friday and the P&C would like to thank everyone who helped make the day such a wonderful success. Special mention goes to our Canteen Crew of Rachael Julius, Kaya Wiltshire & husband Brett on the BBQ. Mothers day is quickly approaching & the P&C will be holding our stall for students to buy a gift for mum on Friday 7th May. Parents can use the QKR! App to pay \$5 per gift or students may bring in \$5 cash on the day. Please contact Gemma Martin if you are able to help out on the day & assist with purchases & gift wrapping. Uniforms have arrived & replenished what was previously sold out. QKR! App is the best way to buy uniforms.

Our next meeting is next Wednesday 5th May at 6.30pm in the school staff room. The snacks high quality & there is always a laugh to be had. New members always welcome, along with the originals! See you there!
