

Our canteen crew have informed the P&C that the homemade hot food items in the canteen have been flying off the kitchen bench since we shared with you in the last newsletter about their goodness! So much so, that Kaya & Rachael will be having a big chef off in the canteen this week to prepare all the winter warmers once again. Fried rice, spaghetti Bolognese & our special homemade edition of mac & cheese. The sauce is made from cooked & pureed pumpkin. Our little canteen is wonderful and led by a generous team of volunteers. I can't tell you how good our amazing volunteers are at perfecting the pizza muffins!

On the cooler side and after a very long hiatus – ICE MONY's are finally back in stock. These are a hit with the kids always, regardless of outdoor temperatures - so no doubt there will be plenty of happy kids at the canteen windows collecting their Ice Mony's.

Donations of packets of brown paper lunch bags are always readily accepted at the canteen too. We use these to package your child's lunches up for them after online orders are placed on QKR. We do go through them fairly quickly as most Friday's can see lunch order numbers of around 100. Bags of 100 lunch bags can be purchased at Woolworths or Coles for \$2 or so.

Our next meeting is next Wednesday 2nd June at 6.30pm in our school staff room. Everyone is always warmly welcomed, President Gemma does a restaurant worthy five star cheese platter, and best yet you get the opportunity to be involved in your school community & your child's school life. We would love to see you there!
