

Crazy hair & sock day is next Wednesday 16th June. Give us your best hair, rock your loudest socks & we ask just a small donation of \$2 per child. It is also a mufti day, the possibilities are endless! Donations are preferred to be gratefully received via the QKR! App. We thank you in advance for support.

Our canteen has begun its search for Term 3 volunteers. We will take dancing volunteers, half day volunteers & brand-new volunteers. Now is a great time to start thinking how you could fit a day in for next terms roster, or even a few hours during that crucial part of preparing orders. The kids genuinely love seeing mum or dad in there. It is a great way to meet other parents too.

There recently has been some changes to legislative requirements that all P&C volunteers in the canteen and in other face to face contact roles with children require a current NSW Working With Children Check (WWCC). It is free for volunteers & it lasts 5 years. The P&C is asking all our canteen volunteers, regular or sporadic to please apply for a WWCC number. This can be done online and then followed up with a quick visit to Service NSW for identity check & issue of your WWCC follows soon after. Thank you for your understanding as at the heart of this is the safety and wellbeing of our Cudgen kids.

Cudgen's Athletics Carnival is on Tuesday 22nd June and will be held at Kingscliff High School. The P&C will be running a BBQ along with drinks and a baked goods stall. We will be seeking donations of baked goods and anyone who would like to assist with cooking the BBQ and giving some of their time to work on our stall.
