

Parents & grandparents have thrown themselves behind volunteering so far in 2021. I'm not sure the canteen roster has ever been so popular or felt so loved! The P&C is grateful, fellow parents with bare looking Friday fridges are grateful and I'm sure our kids are grateful too. Well done to everyone who has thrown themselves into helping out so far, especially new families to join our school. It is always appreciated. Volunteering feels good & in our small school it's essential. Keep an eye out for the term two roster!

Our P&C AGM is being held next week on Wednesday 10th March at 6pm in the school staff room. All positions are vacant & everyone is welcome to attend. A small fee of \$2 is required to join on the night. We will be searching for a canteen crew to take on our canteen management. We are interested in exploring how we can share the load in a small team. We look forward to seeing some new faces at our AGM next week.

Donations of packets of brown paper lunch bags are always happily accepted from families. As all lunch orders are now online using QKR! app, we use these bags to package up your children's orders. Usually only \$2 at Woolworths or Coles.
