

Our first P&C meeting for 2021 was held last Wednesday night. It was terrific to see some brand new faces amongst the group & of course the return of the long-standing members again to help contribute to a great 2021 P&C Year. New members are always excitedly welcomed & often return for future meetings (this is always a positive sign!)

The QKR! app is the quickest & easiest way to order lunch orders for your child and also new uniforms. If you have any issues navigating the app, placing your orders or questions, the P&C are always happy to assist.

The canteen roster is looking very full of keen & eager families so far for term 1. Please search for the roster on Cudgen P&C association Facebook page. We are so excited to see some new names & faces volunteering their time for our school canteen. Thank you for your contribution.

The canteen is still searching to fill that elusive canteen convenor role. It's a diverse role & one we feel could be shared across a small group of people who might describe themselves as organised & expert shoppers with a touch of a Masterchef thrown in and all who love a chat & thrive in a team environment. If this sounds like you & a couple of friends please contact Gemma Martin on 0430 313 948.

Thank you to our canteen volunteers who assisted with the school swimming carnival on Friday to ensure all our swimming athletes were fed & fuelled for a hot day. Thank you Zelma, Glenys, Tanya & Kaya.

Our next meeting is on 10th of March at 6pm in the school staff room. All are welcomed and it's a great way to meet some new parents & involve yourself in our school community.
