

It's been another exciting fortnight in our very active and involved P&C community! We still can't believe our luck with so many keen and eager canteen volunteers and a happy looking roster. New members are flying into join eagerly putting their hands up to take on new roles (they might have heard about the awesome meetings with cheese platter prepared by the president!) After last weeks AGM, we are excited to announce the following new position holders...

President—Gemma Martin

Vice President—Sue Togo & Linda Slockee

Secretary—Katie Thornton

Assistant Secretary & Marketing/Media Officer—Jane Prichard

Treasurer—Brad Platt

Uniform Convenor—Tegan Conwell

Canteen Convenor/Crew—Rachel Julius & Kaya Wiltshire

We are also reinstating cash sales as some COVID restrictions have allowed us to do so. Ice blocks are now for sale over the counter from the canteen for recess & lunch. Students can visit the window with their cash after the second bell to purchase. At this stage only Quelch fruit ice blocks. Ice Mony's remain out of stock with ongoing supply issues. We look forward to seeing eager faces with impeccable Cudgen manners return to the canteen windows for ice block sales.

Our next meeting will be held in term 2 on the 5th of May at 6:30pm. All welcome as usual and as mentioned cheese platters are of high standard.
